

HikeⁿCoach

Combine nature, movement and coaching to gain perspective and work on one concrete issue.

SCOPE & DURATION

Minimum three hours. Agree route, pace, breaks, accessibility, weather alternative and meeting point beforehand. Coaching takes place along the route and at suitable stopping points.

FRAMEWORK & BOUNDARIES

Travel time, expenses, admission, cable cars, catering and other services are not automatically included; agree them separately beforehand. No mountain guiding, medical or psychotherapy service. If nature or travel is unsuitable, remote CoffeeⁿCoach may be a better choice.

WHAT YOU RECEIVE

Reflection, new perspectives and agreed next steps. No athletic performance requirement; an easy route may be suitable.

BEFORE BOOKING

The individual proposal confirms scope, dates, fees, VAT and any travel before commissioning.
