

Mission Room Online

Sort one immediate, narrowly defined question in a brief online session.

SCOPE & DURATION

25 minutes remote: define the situation, examine one option and agree a practical next step.

FRAMEWORK & BOUNDARIES

No extensive advance preparation, research, document review or support between sessions. For several issues or deeper reflection, choose the 60-minute CoffeeCoach format. This does not replace a full Decision Journey.

WHAT YOU RECEIVE

One agreed next step. No separate written report.

BEFORE BOOKING

The individual proposal confirms scope, dates, fees, VAT and any travel before commissioning.
