

Fractional Strategic Advisory

Support strategic decisions and international market questions with agreed, planned capacity.

SCOPE & DURATION

Prioritised market/customer hypotheses, strategic options, stakeholder and partner questions, roles and decision paths, and regular reviews within the commissioned scope.

FRAMEWORK & BOUNDARIES

Calls, research, preparation and follow-up count towards commissioned effort. Define working time and minimum bookings before contracting. No unlimited capacity or independent executive authority.

WHAT YOU RECEIVE

Agreed decision materials, priorities and next steps; confirm deliverables and reviews in the scope.

BEFORE BOOKING

The individual proposal confirms scope, dates, fees, VAT and any travel before commissioning.
